

Laserliner

CrossGrip Pro

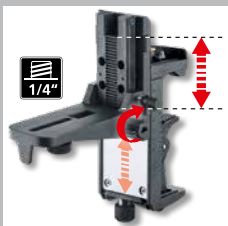

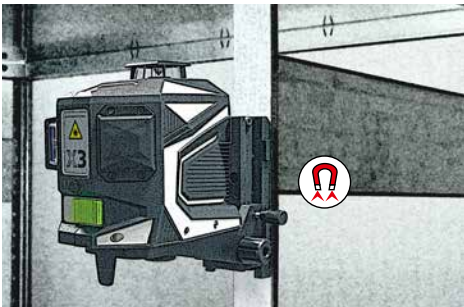

Magnetic clamping and wall bracket for versatile use

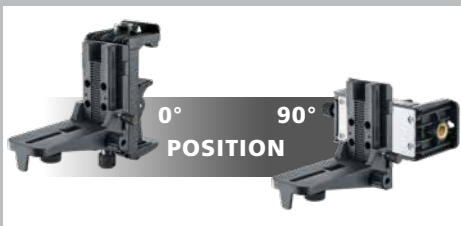

Rev18W/50

- For all laser measuring devices with 1/4" thread
- With the magnetic clamp and wall bracket the device can be used as a standalone unit, in a combination as well as in horizontal and vertical position
- Ideal for mounting horizontally and vertically on drywall construction profiles
- The lugs facilitate direct mounting on walls
- The powerful magnets at the rear allow the bracket to be fixed to magnetic objects

Precise fine adjustment

For mounting horizontally and vertically

5/8" tripod threads
